The Walther PDP Black Ribbon –Meister Manufaktur limited edition– elevates the proven PDP Steel Frame Match Full Size 5" platform with refined elegance and elite competition performance. This special-edition 9mm pistol fuses German precision engineering with premium custom touches delivering superior recoil control, match-grade accuracy, and sophisticated style for discerning shooters and collectors.

The signature Black Ribbon finish builds on Tenifer® nitride treatment across the barrel, slide, steel frame, and magazine base plate for exceptional hardness and corrosion resistance, enhanced by a premium coating for a deep, satin-black appearance with outstanding wear resistance and timeless sophistication quiet strength in a refined package.

Rooted in all-steel construction, it includes a 5" match-grade barrel, optics-ready

slide, flared mag well, ambidextrous controls, three high-capacity magazines, and the Dynamic Performance Trigger crisp ~5 lb glass-like break, ultra-short reset for match-winning speed in USPSA, IDPA, Steel Challenge, or premium use.

A key highlight is the custom one-piece wrap-around aluminum grip aerospace-grade alloy, 20 LPI checkering, satin anodizing, offering luxurious ergonomics, secure hold, and perfect balance that feels like a natural hand extension unique in its class.

With hand-finished detailing and limited availability, own this modern classic of understated dominance today.
